

There's a new way to get outstanding healthcare!

Methodist is proud to welcome you to our new front entrance. Beginning April 1st, patients and visitors to Methodist should park in Methodist Deck A. Then take the Deck A skywalk to Hospital Entrance A for:

- Patient/visitor information
- Pre-surgical and outpatient testing
- Patient registration/admitting for all services except surgery
- Access to most areas of the hospital

Patients arriving for surgery should park in Methodist Deck 1. Enter the hospital through the SurgiCare entrance on Level 2 of the deck.

For emergency care, follow the signs to the Emergency and Trauma Center.

Taking You Well
INTO THE FUTURE...
